Reporting Requirements

CourTools - Internal Reports, no requirement for reporting to AOC

Time Standards – Phased implementation for LJ AJACS courts. Times standards are in effect; however, reporting is not currently required while the reports are being developed.

General Jurisdiction Case Activity Statistics:

- AJACS Courts are required to submit only the reports that are in production.
- Non-AJACS continue to report in the old format while they develop the new reports.

Limited Jurisdiction Case Activity Statistics:

- AZTEC courts continue to report under current requirements.
 - Non-ACAP courts continue to report in the existing format until they have completed developing the new format of the report.
 - AJACS are not required to report until the reports are made available to the court.
-

Coordination and Future Directions

- ✓ Status updates currently reported to GJ and LJ Steering Committees
- ✓ Reports in development are coordinating with AJACS workgroups and local court resources
